LOCAL PROFESSIONALISM PANEL QUESTIONS

Please complete the information below regarding any activity within your Local Professionalism Panel. Additional pages may be attached as needed.

- 1. Please describe the process by which complaints are addressed.** You may attach a link to the complaint form or link to where information is located on your website that advises the consumers, attorneys, and judges how to file a complaint.

The complaint form can be found at the following link:

<https://ninthcircuit.org/resources/local-professionalism-panel>

The complaint is sent to the Chief Judge for review. The Chief Judge then refers the complaint as applicable to the professionalism panel.

- 2. Please describe what types of professionalism issues are seen most often in this Circuit?**

Historically, the most common issues are relating to professionalism issues/behavior in the courtroom or failing to respond to court orders/notices of hearings. This reporting period included a complaint as to courtroom decorum and a complaint as to communication.

3. What are believed to be the causes of professionalism issues within your Circuit?

Historically, a large amount of complaints stem from criminal matters where the attorneys have less experience and appeared to have little mentoring prior to the complaint. For the complaints involving civil matters, the attorneys are generally sole practitioners or with small offices. We've found that encouraging mentoring has been helpful. For this reporting period, we had two complaints involving civil matters.

4. How often does your Circuit's Local Professionalism Panel meet?

The Chair meets with new panel members as they rotate on (from our 3 tiered terms), and a group meeting is scheduled yearly.

5. Please describe any training provided to committee members.

Each complaint case is assigned to a sub-panel of three members chaired by a member selected by the Chair, Lauren Heatwole. The cases are discussed when necessary. Templates/forms for the documents/letters are provided to the sub-chair with an explanation/reminder of the process. The members are reminded of the principals from Chief Judge Munyon's and Florida Supreme Court administrative orders at the regular meetings. The sub-panel discusses the proposed resolutions with the Chair.

The panel members have also been provided the information for the required Local Professionalism Panel Training program.

The Chair is also available at any time to meet/discuss with the members regarding their role and responsibilities.

6. How is your Circuit's Local Professionalism Panel promoted?

The Ninth Circuit Professionalism Panel has a link on the Ninth Judicial Circuit website, including information and links to the complaint forms. In addition, the Orange County Bar Association's Professionalism Committee helps to promote the Panel at local CLE's on professionalism. The local bar association professionalism committee also has appointed members on the Panel at the different terms/rotations. Information about the Professionalism Panel is also provided at local bar meetings and through word of mouth. Chief Judge Munyon is also actively involved and advises the Judges of the availability and usefulness of the Professionalism Panel.

7. Please provide information regarding all complaint intake for the appropriate dates. If filing in June, the information should be from January 1st – June 15th. If filing in December, the information should be from June 16th – December 15th.
